

Narrow and spacious

- Working height : 8.10 m
- Platform height : 6.10 m
- Safe working load : 340 kg (including 2 people)
- Foldable guardrail to access through standard doors

81 XE

Safe working load ...340 kg (including 2 people)
Capacity on extension :
120 kg including 1 person

Working height8.10 m
Platform floor height6.10 m

Overall length2.47 m
Overall width0.81 m
Overall height2.14 m
Height with rails folded1.92 m
Platform size2.30 x 0.80 m
Platform extension size1 m
Ground clearance9.5 cm
Turning radius
 inside0.17 m
 Outside2.10 m

Travel speed0 to 4 Km/h
Lift/lower speed21 s/33 s
Wind speed0 Km/h

Batteries24 V/220 Ah
Integrated charger24 V/25 A

Gradeability25%
Maximum slope2°

Tyres (Solid non-marking)16-5-11-1/4
 2 wheel drive - 2 wheel steer

Weight1700 kg

Standard equipment

- Single beam lifting system with self lubricating pins
- Proportional controls
- Electronic controller for increased battery duty cycle
- Pot-hole Safety system
- Removable control box
- Battery charge indicator
- Swing gate for easy access to platform
- Foldable guardrail (below 2 m)
- Hour meter
- 220 v predisposal
- Flashing beacon
- Lifting brackets
- Forklift pockets
- Buscan technology

Options

- All motion alarm
- Working lights
- 220 V electric plug in platform
- Airline to the platform
- Diagnostic tool (LCD screen)
